

How to use FPA Australia **Plus**

**Our new and improved
platform for webinar content.**

FPA Australia Plus is a streamlined and user-friendly platform that provides you instant access to purchased videos. Follow these simple steps to get started.

Log in

To purchase and watch videos, login to *FPA Australia Plus* using your *FPA Australia Connect* login details.

If you're experiencing trouble with your login details or need to adjust your membership information, please contact the Membership department at member@fpaa.com.au

Purchase a video

Once logged in, you have the option of purchasing one video or a complete channel of videos.

After payment is complete, you will be directed back to *My Playlist* on the homepage, where you can watch your purchased videos.

You will now see *Watch now* or *PLAY* as an option on your videos, rather than *Add to cart*.

To see your viewing activity or to download your proof of CPD attendance

Click your initials in the top-right corner and select *Activity* from the drop-down.

The activity section will display the videos you've watched, the percentage viewed, and if you qualify for CPD points. Click the *Print* button to print the list or to save it to PDF.
